Sunbrella Plus fabric is made from exclusive high-tech fibres and, thanks to its high-resilience solution-dyed acrylic yarn, offers exceptional dimensional stability. For even greater performance, the range features a new anti-fungal, waterproof and UV-resistant marine coating.

Robust and versatile, this canvas is available with stitched effects in a wide range of colours to match your boat.

*Élaborée à partir de fibres de haute technologie exclusives et grâce à son fil acrylique teint masse haute résilience, la toile Sunbrella Plus offre une stabilité dimensionnelle exceptionnelle. Pour encore plus de performances, la gamme est dotée d'une nouvelle enduction marine antifongique, imperméable et résistante aux UV.*

*Robuste et polyvalente cette toile est proposée avec des effets piqués dans une large palette de couleurs pouvant s'assortir à votre bateau.*

The excellent performance of Sunbrella fibres is due to the use of innovative and durable materials that are especially resistant to UV, fading, stretching, mildew and water. Sunbrella offers the best warranties in the industry and has been the trusted choice of the world's best-known boatyards and boaters for over 60 years.

*L'excellente performance des fibres Sunbrella est due à l'utilisation de matériaux innovants et durables, particulièrement résistants aux UV, à la décoloration, à l'allongement, à la moisissure et à l'eau. Sunbrella offre les meilleures garanties du secteur et est le choix de confiance des plaisanciers et des chantiers navals les plus connus et les plus réputés du monde entier depuis plus de 60 ans.*

The values of this product may vary depending on a tolerance variation of +/- 5%. We recommend that you do not mix different batches as there might be a slight variation in colour between two productions.

*Les valeurs de ce produit peuvent varier selon une tolérance de +/- 5%. Nous vous recommandons de ne pas mélanger différents lots car il peut y avoir une légère variation de couleur entre deux productions.*
